

Session Title: [Cross border transactions and environmental law compliances and concerns](#)

Date: 8 April 2017

Time: 1.30 pm to 3.00 pm

Duration: 90 minutes

Synopsis: The global business today entails handling of intricate and complex environmental issues since the environmental risks and concerns are becoming increasingly at the paramount of a negotiation. Companies with assets in different countries and several jurisdictions need to understand and appreciate the environmental do's and don'ts of the country in which they are likely to invest/do business with. With dynamics of every country with respect to conducting of the environmental due diligence, litigation, enforcement/legislative process/lobbying etc, varying in substantial degrees, the challenges being faced by companies with respect to the above are galore.

Committees: Cross-Border Investment Committee with the Environmental Law Committee

Moderator: Hean Leng Ang (Lee Hishammuddin Allen & Gledhillong), Trinh Nguyen (Trinh Nguyen & Partners (TNP))

Speaker: Santiago Gatica (Guyer & Regules), Sergio Guzman (Grupo Vial Serrano Abogados), Junichi Ikeda (Nagashima Ohno & Tsunematsu), Hermann Knott (Luther Rechtsanwaltsgesellschaft mbH), Stephen Tromans, QC (39 Essex Chambers)
