

INTER-PACIFIC
BAR ASSOCIATION

The Inter-Pacific Bar Association invites you to a special webinar:

International Development of Arbitration Institutions and Construction of Asia-Pacific International Arbitration Centers

20 November 2022 • 13:30 Beijing • 14:30 Japan
Zoom Webinar

As part of IPBA Arbitration Day, IPBA's Dispute Resolution and Arbitration Committee and the Guangzhou Arbitration Commission bring you this webinar featuring arbitration experts from around Asia.

In recent years, the rapid development of economic investment in the Asia-Pacific region requires a set of effective and time-saving dispute resolution methods. Therefore, arbitration as a significant method of resolving international disputes in Asia-Pacific region has rapidly expanded in the past few decades. Many Asia-Pacific nations have formulated relevant arbitration laws and regulations and established arbitration centers or institutions to provide arbitration services, making this webinar's theme of "International Development of Arbitration Institutions and Construction of Asia-Pacific International Arbitration Center" a hot topic.
