

The Inter-Pacific Bar Association invites you to a special webinar:

Navigating a New Economic Sanctions Era: Impact on Global Business/Sanctions Risk Management

2 June 2022

16:00 Hong Kong • 17:00 Tokyo

via Zoom

The IPBA's Anti-Corruption & Rule of Law Committee brings you this timely discussion on the impact of economic sanctions around the globe, and how to identify and handle any potential impact in the future. Topics covered will include:

- Overview of new economic sanctions deployed in response to crises, a discussion surrounding sanctions applied in the US, the EU, Switzerland and elsewhere.
- Counter-sanctions measures: what do they mean in a crisis?
- Options for businesses impacted by sanctions - remain, restructure, or wind down and exit?
- Can you sanction-proof your supply chain?

Questions and comments from the audience will be taken at the end of the session.
