Letter from the Chairman of Hosting Committee

IPBA Annual Meeting & Conference, “One World: Law & the Environment Beyond Covid”

It is a great pleasure to invite you to be part of the 31st Annual Meeting & Conference of the Inter-Pacific Bar Association (IPBA), which will be held for the first time in Dubai from 7th - 10th of March 2023.

The IPBA is an international association of business and commercial lawyers with a focus on the Asia-Pacific region. It has a long and proud history, having been established in 1991 in Tokyo. The Annual General Meeting & Conference is the premier event on the IPBA's calendar, and attracts significant global interest.

The 31st Annual Meeting & Conference will be held at the JW Marriott Marquis Hotel in Business Bay, Dubai.

The Conference is titled 'One World: Law and the Environment Beyond Covid'. It is vital for lawyers and the legal industry to approach new challenges which businesses now face with both optimism, clarity and vision; accepting and embracing the changes of the new commercial landscape.

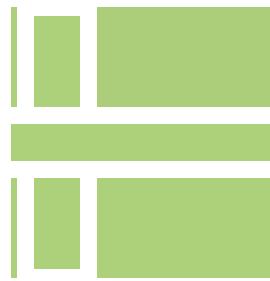

Our Conference programming and social agendas aim to tackle just this. These will enable delegates to re-engage with one another and to explore and discuss developments of legal practice in this new landscape. We also hope to showcase Dubai and demonstrate the advantageous role Dubai and the Middle East region can play in contributing to and facilitating business and commercial endeavours with other, particularly Asian regions.

The Conference offers tremendous opportunities for sponsors to promote themselves and their expertise to a high-level international audience, and to extract maximum commercial value. For this purpose, we have created attractive packages with commensurate benefits for your consideration.

Please visit www.ipba2023.org for the latest information regarding the Conference programme and social events available.

I sincerely hope that you will be able to join us as a sponsor or exhibitor.

Richard Briggs,
President of the IPBA and Chair of the Organising Committee,
IPBA Annual Meeting & Conference 2023

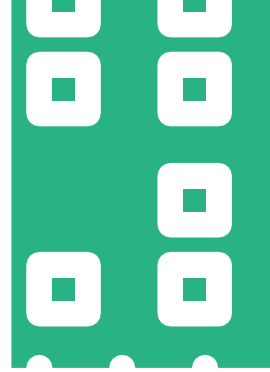

About IPBA

The Inter-Pacific Bar Association (“IPBA”) is an international association of business and commercial lawyers who live in, or otherwise have a strong interest in, the Asia-Pacific Region. It was established in April 1991 and has grown to become the pre-eminent legal association in Asia-Pacific region, with a worldwide membership of around 1200 members from over 60 jurisdictions.

The growth of the IPBA has been spurred by the tremendous growth of the Asian economies as businesses have invested heavily in commerce within the Asia-Pacific region and wider global economy. Such investments come with the requirement for regional legal expertise from lawyers, both within each jurisdiction and through a regional and worldwide network of trusted legal advisors.

The IPBA enables lawyers to keep abreast of legal and commercial developments that affect their clients through facilitating areas for discussion and debate, as well as providing valuable opportunities to network with like-minded lawyers across a variety of practice areas, sectors and jurisdictions.

The IPBA’s Committees are central to providing important opportunities for IPBA members to contribute to the development of the law and legal systems and processes within the region. This is done through tailored educational programmes at the IPBA’s conferences and via publications which provide analysis of law, as well as recommendations for improvements and commentary. All of these are aimed at enhancing the capabilities of participating lawyers and law firms to further support their clients in an ever increasingly globalised economy.
