## Educating Transactional Lawyers: A Panel Discussion on Training Lawyers for Transactional Practice

15:00 Bangkok • 16:00 Kuala Lumpur/Singapore • 18:00 Sydney • 10:00 CEST

The IPBA's Legal Training & Development Committee brings you another great webinar featuring a panel discussion focusing on preparing newly-qualified lawyers and law students for practice as a cross-border transactional lawyer. The panelists will explore some of the unique skill sets required of transactional lawyers that are not taught in most litigation-centric law courses, how young lawyers can self-train and prepare themselves for cross-border transactional work, and provide insights to senior practitioners on training and nurturing the next generation of cross-border transactional lawyers.
