31 July 2025 • 06:30-7:45 (California) • 14:30-15:45 (London) • 22:30-23:45 (Tokyo)

Many of you may have followed the recent social media craze surrounding the Coldplay concert Kiss Cam! While the Employment & Immigration Law Committee obviously does not want to engage in further gossiping, it's worth discussing the policies surrounding corporate dating and its legal implications across different jurisdictions. The Employment & Immigration Law Committee, chaired by Björn Otto (CMS Germany), is pleased to get together dedicated experts and invite you for this interesting and worth discussing topic of legal dos and don'ts and consequences of corporate dating.
